To Whom It May Concern:

As the largest on the ground volunteer organization in the Sequoia National Forest we are pleased to support the grant requested by the Sequoia National Forest for Trail Maintenance. We are glad that the many hundreds of hours our volunteers, as well as those from other volunteers such as Bakersfield Trailblazers, will count as matching value towards the grants.

We hope the OHV Division will fully fund this request.

Sincerely,

Chris Horgan
Executive Director

"Since being founded in 2004, Stewards of the Sequoia continues to be the largest on-the-ground organization of volunteers in the Sequoia National Forest. Our crews have maintained over 1,300 miles of trails and have planted hundreds of trees in reforestation projects. We represent in excess of 2000 members whose activities include camping, hunting, fishing, hiking, mountain biking, motorized recreation, boating, windsurfing, rock climbing and horse riding"
